Testing:

Functional Testing:

Functional testing is a kind of black-box testing that is performed to confirm that the functionality of an application or system is behaving as expected. It is done to verify all the functionality of an application. The below comes are the different functional testing:

- Unit testing
- Integration testing
- System testing
- User Acceptance testing

Unit Testing:

Test condition 1: Employer Registration

Table 1: Registration Process As Employer

Case ID	Scenario	Steps	Test Data	Expected Result	Actual Result	Pass/Fail
TC1.1	Check the “Register Now” button takes to registration page	Go to: https://sinergy.lk , click “Register Now” in top right side of the page	Button click event	It should redirect to the registration page	As expected	PASS
TC1.2	Registration page should show “Register now” in the top left on the page	Go to: https://sinergy.lk , click “Register Now” in top right side of the page	Button click event	It should show “Registration page”	Employer Dashboard	FAIL
TC1.3	Check whether the text fields can take the input	Type all the required field to register the new user	Text input and button click event	It should accept the new entries	As expected	PASS
TC1.4	Check the text field accepts existing user name/email for new registration	Type the username/email	Text input	It should show an error for existing username/email ID	As expected	PASS
TC1.5	Check whether the “Telephone” field accepts incomplete number	Type incomplete number	Text input	It should show an error that the number is incomplete	Registered successfully	FAIL
TC1.6	Check whether the company logo can accept >2MB images	Attach high resolution image with >2MB	Button click event	It should show an error that “failed to retrieve images, try another one”	As expected	PASS
TC1.7	Check the “clear” button clears all the entered field	Click the clear button in the bottom of registration page	Button click event	It should clear all the fields	As expected	PASS

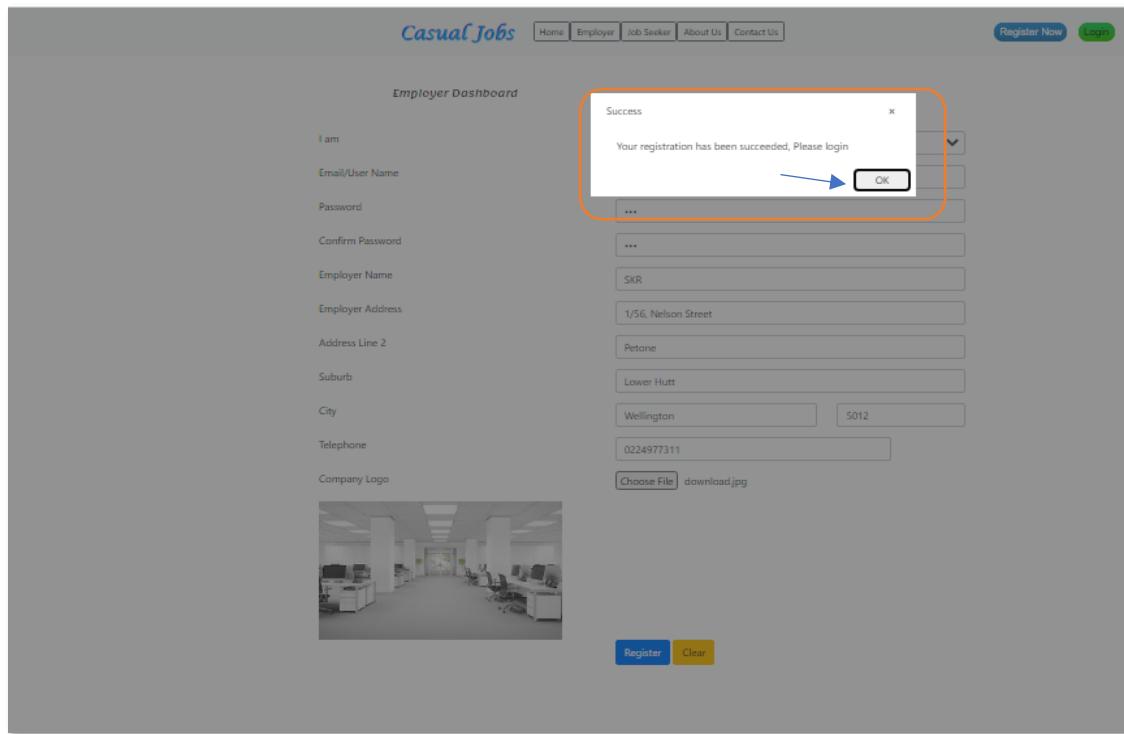

Figure 4 - TC1.3

The screenshot shows the 'Employer Dashboard' page of the Casual Jobs website. At the top right, there are 'Register Now' and 'Login' buttons. Below the header, the page title 'Employer Dashboard' is displayed. The form fields are identical to Figure 4: 'I am' (dropdown menu set to 'an Employer'), 'Email/User Name' (text input field containing 'SKR'), 'Password' (text input field containing '***'), 'Confirm Password' (text input field containing '***'), 'Employer Name' (text input field containing 'SKR'), 'Employer Address' (text input field containing '1/56 Nelson Street'), 'Address Line 2' (empty text input field), 'Suburb' (text input field containing 'Petone'), 'City' (text input field containing 'Lower Hutt'), 'Telephone' (text input field containing '0224977311'), and 'Company Logo' (file upload field showing 'No file chosen'). A large 'No Image available' placeholder icon is displayed where the company logo would normally be. At the bottom left, there is a 'Register' button and a 'Clear' button.

Invalid password confirmation

Figure 17 - TC2.3

Test Condition 3: Login Process

Table 3: Login process

Case ID	Scenario	Steps	Test Data	Expected Result	Actual Result	Pass/Fail
TC3.1	Enter invalid username or password	Go to login and type invalid username or password which is not registered	Text input and button click event	It should show error as "Invalid username or password"	As expected	PASS
TC3.2	Check the login page works properly and takes to Seeker dashboard	Type the valid username/email	Text input	It should go to seeker dashboard	As expected	PASS
TC3.3	Check the login page works properly and takes to employer dashboard	Type the valid username/email	Text input	It should go to employer dashboard	As expected	PASS
TC3.4	Check whether seeker can login into employer dashboard using seeker login details	Type seeker login details in employer login page	Text input	It should show an error that "Unauthorized entry"	Logged in into seeker dashboard	FAIL

The screenshot shows a web browser window with the URL sinergy.lk/login/. The page title is "Casual Jobs". At the top right, there are "Register Now" and "Login" buttons, with an arrow pointing to the "Login" button. Below the title, there is a navigation menu with links: Home, Employer, Job Seeker, About Us, and Contact Us. The main content area is titled "Login". It contains two input fields: "Email/Username" with the value "rubansabestian@gmail.com" and "Password" with masked input. Below the inputs are "Login" and "Clear" buttons. The status bar at the bottom of the browser shows various icons and links.

Figure 18- TC3.1

This screenshot is similar to Figure 18, showing the "Casual Jobs" login page. However, an "Error" dialog box is overlaid on the page. The dialog box has a close button ("x") at the top right. Inside, the text "Invalid username or password" is displayed, and at the bottom right is an "OK" button.

Figure 19 - TC3.1

This screenshot shows the "Casual Jobs" login page again. The "Email/Username" field now contains "ruban.sebastian01@student.lk" and the "Password" field is masked. A red arrow points to the "Login" button, which is highlighted with a blue border. The "Clear" button is also visible. The rest of the interface is identical to previous screenshots.

Figure 20 - TC3.2

The screenshot shows a web browser window with the URL sinergy.lk/seeker/. The page title is "Casual Jobs". The navigation menu includes "Home", "Employer", "Job Seeker", "About Us", and "Contact Us". The user is logged in as "ruban.sebastian01@student.weltec.ac.nz". The main content area is titled "Job Seeker Dashboard". On the left, there is a sidebar for "Employer" with contact information for "Ruban Sebastian": address (pikarere street Titahi bay, Porirua, wellington, 5022), email (ruban.sebastian01@student.weltec.ac.nz), and phone number (0224977311). Below this are links for "Edit Profile" and "Logout". To the right, there is a section titled "Posted Profiles" with a sub-link "Add a new Profile". A table header is visible, showing columns for "#", "Date Posted", "Jobs wanted", "Locations preferred", and "Job Type".

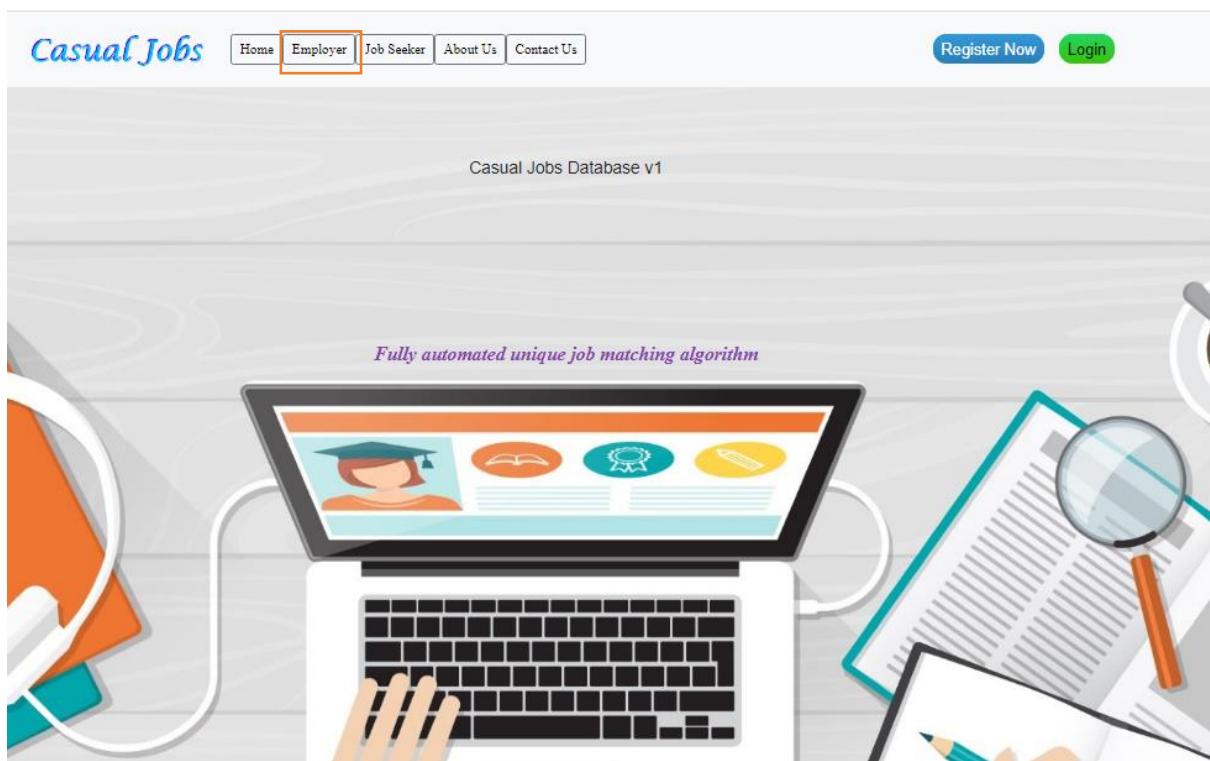

Figure 130 - TC5.2

A screenshot of the Casual Jobs login page. At the top, there is a navigation bar with links: Home, Employer, Job Seeker, About Us, and Contact Us. To the right of the navigation bar are two buttons: 'Register Now' (blue) and 'Login' (green). Below the navigation bar, the word 'Login' is centered above two input fields. The first input field is labeled 'Email/Username' and the second is labeled 'Password'. Below these fields are two buttons: 'Login' (blue) and 'Clear' (blue). The background is white.

Figure 131 - TC5.2

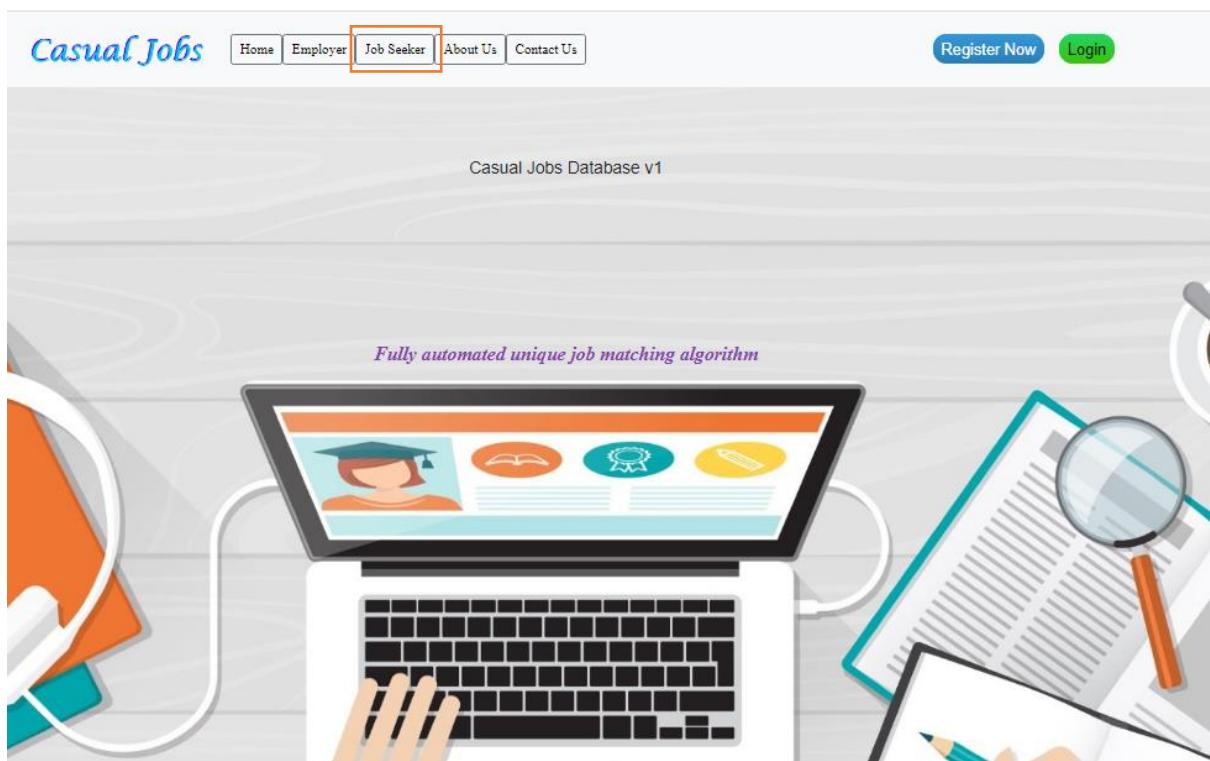

Figure 132 - TC5.3

A screenshot of the Casual Jobs login page. At the top, there is a navigation bar with links: Home, Employer, Job Seeker, About Us, and Contact Us. The 'Job Seeker' link is highlighted with an orange border. To the right of the navigation bar are two buttons: 'Register Now' (blue) and 'Login' (green). Below the navigation bar, the word 'Login' is centered above two input fields. The first input field is labeled 'Email/Username' and the second is labeled 'Password'. Below these fields are two buttons: 'Login' (blue) and 'Clear' (blue). The background is white with a simple design.
